CIWM

Introduction

Welcome

You are receiving this Network Partner Update as a member of the Wood Recyclers Association, CIWM's first Network Partner.

In this update, you will find information about our upcoming events and training courses, as well as information about the benefits that you can enjoy as a member of a CIWM Network Partner organisation.

About CIWM

CIWM is the leading professional body for resource and waste professionals. We represent over 5,000 individuals in the UK and overseas, supporting them to be successful in their careers by providing technical and career advice, information, training and networking opportunities.

CIWM sets and maintains professional standards, developing and sharing knowledge and best practice. We provide an impartial, influential and respected voice for the sector in policy discussions in the UK and Ireland, helping to ensure policy development is informed by practical and theoretical understanding and experience.

Your Benefits

As a member of a CIWM Network Partner organisation, you can enjoy a host of exclusive benefits.

These benefits provide opportunities for you to:

- **Demonstrate your commitment:** save up to 5% on becoming a CIWM Affiliated Organisation and enjoy a range of benefits as part of this exclusive affiliation
- **Enjoy exclusive discount:** save up to 5% on selected CIWM advertising, conferences, training courses, seminars and events
- **Stay informed:** receive information about CIWM conferences, seminars, training and events, as well as updates from our regional centres
